

“Business Park Bistrita South” is an industrial park located within Bistrita City, in the North-Western Transylvania, Romania.

Unfolding 30 hectares, our industrial park provides all the needed business infrastructure, such as:

- Power supply connection;
- Gas pipeline;
- Water supply line;
- Sewage system;
- Water treatment facility;
- Heating/Air Conditioning;
- Communication facilities (internet, mobile phone coverage, telephone, fax, wireless);
- Internal roads and parking;
- Landfill.

Key Advantages

- Tax Benefits and incentives.
- Manpower Benefits.
- Infrastructure Benefits.
- Amenities.
- Business Services Benefits.
- Business Incubator/Accelerator.

Furthermore, we assist investors in obtaining financing, such as non-reimbursable state aids, non-reimbursable European subsidies, bank loans and private equity for further developments.
